***Please Note:** Due to the government phase out plan to cease cheques as a form of payment, Benalla Health request that you consider an alternate method of payment in future.

Annual Appeal

make a difference

Message from the Board Chair

Dear valued members of our community,

I extend my heartfelt gratitude to each and every one of you for your unwavering support towards our Annual Appeal. This annual fundraising initiative plays a crucial role in enabling us to acquire essential equipment that enhances our ability to serve the community effectively.

Your generous contributions in response to last year's appeal have made a significant impact, allowing us to upgrade our overhead lifting equipment and ensuring that we continue to provide the highest quality care and service to every individual in our community.

This year we hope to purchase a Phillips K2 monitor. This will enable us to monitor pregnant women during their pregnancies or during labour at Benalla Health using CTG (Cardiotocography). Importantly, the new technology will allow us to share CTG recordings with Obstetricians at larger birthing hospitals for prompt interpretation and guidance, whenever required, so that pregnant women at Benalla Health can receive the best possible care closer to home.

The Benalla community has a rich history of supporting its health service, and we deeply appreciate the continued support we receive. We understand that it may not be possible for everyone to contribute to every appeal, but for those who can, your participation in our Annual Appeal will directly contribute to the ongoing success of our local health service.

Please remember that donations of \$2 or more are tax-deductible, providing an additional incentive to support this important cause.

With sincere appreciation,

Dr. Sarah Chaplin
Benalla Health Board Chair
