Annual
Appeal

Make a difference to your
local health service

Message from the Board Chair

Dear fellow community member,

I would like to thank our community for its ongoing support of our Annual Appeal. The Annual Appeal is our major fund-raising activity for the year and has been an important factor in supporting equipment purchases to help us serve the community.

Over previous appeals we have provided significant contributions towards the purchase of a new Community Bus to be used by Morrie Evans Wing and the Planned Activity Group enabling them to enjoy outings and trips around the district.

This year we hope to raise funds for specialised equipment which will continue to ensure that our community has the most up to date equipment and services and is receiving the best care, every person, every time.

The Benalla community has a long and proud tradition of supporting its health service and we understand it is difficult for many in the community to support all appeals, however for those who are able, our Annual Appeal provides an opportunity to contribute to the ongoing success of your local health service.

Donations of \$2 or more are tax-deductible.

John Papatheohari
Benalla Health Board Chairman
