Annual Appeal

make a difference

Message from the Board Chair

Dear valued members of our community,

On behalf of the Board, I would like to extend my sincere thanks to everyone who continues to support Benalla Health through our Annual Appeal. Each year, this vital fundraising initiative allows us to invest in equipment and resources that directly enhance the care and services we are able to provide to our community.

Thanks to the generosity shown in response to last year's appeal, we were able to purchase a K2 Monitoring System for our maternity services. This important investment will enhance patient monitoring and support our clinical teams to respond quickly and effectively when care needs change, strengthening safety and quality across our services.

This year's Annual Appeal will focus on funding essential equipment for our Urgent Care Centre. As one of the busiest services at Benalla Health, the Urgent Care Centre plays a vital role in providing timely care for patients who need immediate assessment and treatment. Modern equipment supports our clinicians to deliver safe, effective care close to home when it matters most.

The Benalla community has a long and proud history of supporting its local health service, and we are deeply grateful for that ongoing commitment. We recognise that not everyone is in a position to contribute every year, but for those who are able, a donation to this appeal will make a tangible difference to the health and wellbeing of our community.

Please also remember that donations of \$2 or more are tax-deductible.

Thank you for standing with Benalla Health and helping us continue to provide safe, high-quality care close to home.

With sincere appreciation,

Dr Sarah Chaplin
