

# What to expect working for our organisation

## Our aged care services:

Aged care services are highly valued in the Benalla community.

The Morrie Evans Wing, located as part of Benalla Health, employs trained staff as direct carers, utilising Registered Nurses and Enrolled Nurses, as well as Personal Care Workers who are training to become nurses. We also employ a Diversional Therapist and lifestyle staff.

Morrie Evans Wing was extensively renovated in 2019. All rooms are now single occupancy with an ensuite. Our facilities are modern and include state-of-the-art equipment.

Morrie Evans Wing is a special place where compassion and personalised care is a feature. We are proud to be a leading provider of residential aged care in North East Victoria.

Our home is suitable for looking after residents with high care health needs and persons living with dementia. Our residents' needs have been kept in the forefront of our minds during the recent renovations, with the result being a more comfortable and modern setting. Staff provide an exemplary standard of permanent and respite care to residents and their families. Low care respite care can also be provided.

The home is surrounded by beautiful gardens and it has an enclosed patio areas for enjoying the outdoors, including BBQ facilities. Activities are regularly held for the enjoyment of all residents.

As well as Morrie Evans Wing, we have a number of other services at Benalla Health which provide for older residents in the community.

This includes our Day Activities services, located in the modern A.L.Berry Day Care Centre, where clients enjoy a range of activities and regular outings.

We also have home nursing services.

Benalla Health is an employer of choice, offering competitive salary and a positive working environment, with a focus on continued learning.

## Why Benalla is a great choice

About 14,000 people live in Benalla and the surrounding district, about two hours' drive north-east of Melbourne via the Hume Freeway.

Benalla is built on both sides of the Broken River, which generally flows in a northerly direction through the town. Damming the river near the railway at the northern end of town created Lake Benalla.

Benalla is the gateway to Victoria's High Country, which is great for those who love hiking and skiing.

It is also located close to some of Australia's best wineries.

It is home to Australia's largest gliding club, attracting pilots from around the globe to experience the area's world renowned flying conditions.

Other highlights of this beautiful town are:

**Benalla Art Gallery:** One of the best regional galleries in Australia with works by Arthur Streeton, Frederick McCubbin, Fred Williams and Sidney Nolan. Surrounded by beautiful botanical gardens and Lake Benalla, the Art Gallery precinct is a Benalla 'must do'.

**Winton Wetlands:** The restoration of Winton Wetlands is the largest wetland restoration project in the southern hemisphere. You can circumnavigate Lake Mokoan or enjoy the peace and tranquility of the bush with a network of bike paths snaking through the reserve. Grab lunch and a coffee at the Mokoan Hub while you're there.

**Gliding over Benalla:** The Gliding Club of Victoria is the largest Gliding Club in Australia. There are intensive seven day 'learn to glide' packages or half hour bookable joy flights, making Benalla the ideal place to learn how to fly.

**Wall to Wall Festival:** World class street art is the legacy of the Benalla Street Art Festival. Search for the soul of the city on walls and buildings around Benalla.
