#### ***Clinical/Management of Care***

- Provides nursing care of individuals and groups within the Enrolled Nurse scope of practice
- Completes comprehensive and accurate nursing assessments of residents/patients
- Appropriate assessment tools and strategies are used effectively
- “Rounding for outcomes” adhered to in order to improve resident outcomes
- Data is analysed and interpreted accurately.
- Deviations or changes in a residents normal condition, including vital observations which may indicate deterioration, are acted upon appropriately and promptly
- Contributes towards the collection of information used to create a plan of care in consultation with the Registered Nurse, patient/resident and relevant others and identifies expected outcomes, including a timeframe
- Responds to resident, patient and/or carer educational needs, referring to others where necessary
- Planned care is implemented, evaluated and assessed
- Undertake and be accountable for additional responsibility either individually or as part of a team/work group/committee or units portfolio structure

## ***Enabling***

- Contributes to the social, spiritual and wellbeing of residents through the support and participation in the lifestyle program for residents
- Contributes to the promotion of safety, security and personal integrity of individuals and groups within the scope of Enrolled Nursing practice
- Provides support and care to individuals and groups within the scope of Enrolled Nursing practice
- Performs as an advocate and promote an active partnership with residents, patients, their carer's and families to ensure safe and effective person centred care
- Advocates for nursing and midwifery within the organisation
- Act as a professional advocate for Benalla Health
- The individual is treated with dignity and respect at all times
- Strategies that encourage independence are identified and utilised
- Communicates effectively with individuals and groups
- Work is organised, co-ordinated and delivered according to priorities of care
- Emergency management practices and drills are participated in, according to organisational policy
- Establishes and maintains collaborative relationships with colleagues and members of the health care team
- The roles and functions of the health care team are recognised and understood

## ***Critical thinking and Analysis***

- Practice within an evidence-based framework
- Actively reflect on own professional performance and competence, seek feedback, and participate in ongoing professional development of self and others
- Demonstrates critical thinking in the conduct of Enrolled Nursing practice

## ***Financial Management***

- Ensure there is financial responsibility and accountability across the functions under the position's control and develop and implement financial strategies that will ensure budgetary targets and key performance indicators are met
- Participate in cost saving strategies as directed
- Identify opportunities to reduce costs and effectively manage resources across all functions

## **SAFETY MANAGEMENT SYSTEMS**

In accordance with the current Victorian OH&S legislation and infection control standards, each employee has the responsibility to take reasonable care of their own health and safety by:

- Adhering to Benalla Health's OH&S policies and procedures
- Reporting hazards and injuries
- Participate in OH&S consultation and OHS training
- Cooperate with managers and supervisors to ensure that OH&S responsibilities are met by all
- Not wilfully interfere with or misuse anything provided in the interest of health and safety or wilfully put anyone at risk.
- Each Employee is responsible for ensuring that they are fit to perform their duties without risk to the safety, health and well-being of themselves and others within the workplace. This responsibility includes compliance with reasonable measures put in place by the Employer and any related occupational health and safety requirements.

Each employee has the responsibility to minimise exposure to incidents of infection/cross infection of residents, staff, visitors and the general public.

Please refer to Benalla Health's Occupational Health & Safety Responsibilities Guideline.

## **QUALITY & RISK**

Benalla Health is accredited by an independent Accreditation Agency. All staff are required to actively participate in quality improvement activities.

## **POLICY & PROCEDURES**

It is every employee's responsibility to access and have knowledge of relevant policies and procedures that relate to their employment. All organisational-wide policies and procedures can be accessed on the BH Intranet site.

## **CONFIDENTIALITY**

Any information obtained in the course of employment is confidential and should not be used for any purpose other than in the performance of duties for which the person is employed. The employee is bound by the Information Privacy Act 2000, Aged Care Act 1997 and the Health Records Act 2001.

## **MANDATORY ORGANISATIONAL COMPETENCIES**

In accordance with current legislative requirements, all employees have a responsibility to ensure they successfully complete the following competencies as prescribed (on commencement, annually, every two years or as otherwise stated):

- Attend orientation on commencement
- Emergency Response and Fire Extinguisher Training (both theory and practical sessions)
- Manual Handling – No Lift
- Human Rights, Equal Opportunity Prevention of Workplace Bullying and Managing Diversity in-service.
- Hand Hygiene Training.
- Reporting Elder Abuse.
- Person & Family Centred Care

Refer to the organisations mandatory training policy for full details.

## **CONSUMER ENGAGEMENT**

Benalla Health employees are responsible for meaningful consumer participation so that consumers, carers and community members are active participants in the planning, improvement and evaluation of health services.

This will be demonstrated by:

- New staff attending staff induction forum where the value of partnering with consumers/carers and community members is discussed.
- Evidence that consumers and their significant others are involved in the development of their own care plans and
- Completion of annual competencies that includes the importance of partnering with consumers/carers and community members.

## **PREVENTION AND RESPONSE TO FAMILY VIOLENCE**

It is a basic human right to be respected as an individual. Benalla Health supports this fundamental right through advocacy for the prevention and awareness raising of family violence. Benalla Health is committed to the elimination of Violence.

Each employee at BH will be expected to demonstrate their commitment by:

- Gaining knowledge and the ability to implement a brief intervention to identify and respond to family violence, underpinned by principles of sensitive practice.
- Actively participate in education and events supporting 'the prevention and response to family violence in our organisation and the community.
- Positively contribute to workplace safety and moral.

- Be able to confidently address issues that arise regarding Family Violence for clients and colleagues.

**PERFORMANCE REVIEW & DEVELOPMENT**

A performance review & development plan will be carried out three months post appointment and thereafter at least once a year. The position description will form the basis for the review. If performance does not meet expectations or additional staff development/guidance is required, performance reviews will be carried out more frequently. The employee can request additional performance reviews at any time in writing.

*This document provides a summary of the role and duties of the position and forms the basis for periodic review of departmental and individual performance.*

*As an occupant of this position, I have noted this statement of duties and agree to perform the duties indicated and observe all requirements of the organisation's Policies and Procedures.*
