 - Current Police Check.
 - Current Working with Children Check.
 - Current Flu Vaccination (evidence required).
- Desirable:**
- Previous experience in UCC or ED.
 - ALS.
 - Triage competent.
 - Intravenous cannulation.
 - Management of anaphylaxis.
 - ECG interpretation and management of chest pain.

KEY SELECTION CRITERIA:

- Demonstrate well-developed communication and interpersonal skills.
- Demonstrated ability to articulate clear decision making processes.
- Knowledge and commitment to Quality Management and Accreditation processes.
- Possess knowledge of relevant legislation, particularly the National Health Reform, National Standards and Aged Care Standards.
- Demonstrate ability to delivery of excellent nursing care in accordance with Benalla Health philosophy, policies and procedures.
- Ability to work as part of a multi-disciplinary team and to work independently of others.
- An ability to represent as a patient advocate.

OUR PURPOSE:

The purpose of Benalla Health is to facilitate a healthy and resilient community through the provision of integrated, lifelong healthcare services.

OUR VALUES:

Compassion, Empathy, Accountability, Respect and Excellence.

POSITION SUMMARY:

- Provide high quality nursing care to patients and supervising specialist care delivered by other staff.
- Coordinate specialised aspects of care provided to patients on a daily basis.
- Counsel patients, provide health education - especially in relation to the speciality.
- Where appropriate, act as an advocate for patients and their families, ensuring their opinions are heard and their rights are respected.

RESPONSIBILITIES:

- Achievement of competencies for a Registered Nurse Division 1 as prescribed by the Australian Nursing and Midwifery Council Incorporated (ANMC and Benalla Health Mandatory Training Policy).
- Assess the need for training and education of other staff and then delivering specialist clinical teaching and supervision to nurses, health care staff and students in the unit and nursing division as required.
- Carry out research and development in the speciality. Provide specialist input to the development of clinical policies and procedures including their preparation. Provide advisory services to appropriate committees.
- Comply in full with all organisational policies and procedures.
- Delivery of excellent nursing care in accordance with the unit philosophy, policies and procedures.
- Participate in the organisation's quality and accreditation programs, contribute to the processes whereby the quality of care of patients and residents is continuously improved. This includes examining own and others' nursing and health care delivery critically and incorporating the results of personal research or the research findings of others in the delivery of care.
- Level of clinical practice reflects level of remuneration i.e. higher level of skill than would be expected of Grade 2 nurses, but less than Grade 3 positions.

PROFESSIONAL RESPONSIBILITY AND ACCOUNTABILITY

- Competence in nursing practice measured by the Australian National Competency Standards for the Registered Nurse (Australian Nursing Council Inc).
- Commitment to development of area of speciality including higher levels of skill demonstrated in clinical decision-making and maintenance and improvement of clinical standards.
- Commitment to personal development and to the development of the Organisation.

PROFESSIONAL / ETHICAL PRACTICE

Nursing actions and interventions are accurate and safe, and demonstrate due regard for the theoretical concepts and principles underlying practice.

- Documentation conforms to legal and health service requirements.
- Actions reflect an awareness of legal implications of nursing practice.
- Nursing interventions are performed following adequate and accurate assessments.
- Clarification of, and / or suggested changes to policies, procedures, protocols and guidelines are sought and made.
- Practice is in accordance with the profession's code of ethics.
- Confidentiality of information is maintained.
- The patient is an active participant in the process of care.
- Respect for individuals and their families in terms of cultural and social context is demonstrated.
- Recognises own knowledge base / level of competence.
- Maintenance and improvement of personal and unit clinical standards.

CRITICAL THINKING & ANALYSIS

Acts to enhance the professional development of self and others.

- Continuing education is actively undertaken.
- Quality activities are undertaken within the unit to enhance professional practice.
- Role modelling to all other members of the health care team is demonstrated.
- Contributes to the education of other professionals e.g. being willing to provide at least one in-service education programme each year.
- Incorporates research findings into nursing practice.
- Acts as a mentor or preceptor to lesser-experienced nurses, including graduate and student nurses.
- Acts as a resource person to others in relation to clinical practice.
- Monitors the specialised clinical practice of other nursing staff.

MANAGEMENT OF CARE

Comprehensive and accurate nursing assessments of patients / residents are carried out.

- Appropriate assessment tools and strategies are used effectively.
- Data is analysed and interpreted accurately.
- Deviations from normal are acted upon appropriately and promptly.

A plan of care is developed and documented in consultation with the patient / resident and relevant others.

- The plan identifies expected outcomes, including a timeframe.
- Responds to patient and / or carer educational needs, referring to others where necessary.

Planned care is implemented, evaluated and assessed.

- Resources are utilised effectively and efficiently in providing care.
- Undertakes technical procedures confidently and safely.
- Refers clients to appropriate community service providers.
- Higher level of skills demonstrated in clinical decision-making – in particular in problem identification and solutions, and analysis and interpretation of clinical data.

ENABLING

Acts to enhance the safety of individuals and groups at all times.

- Environmental hazards are identified, rectified or eliminated and / or prevented where possible.
- Standards for Infection Control and Occupational Health and Safety are adhered to.
- Nurse Unit Manager is kept informed of issues and achievements in relation to health and safety issues.

Appropriate interpersonal relationships are developed with individuals.

- The individual is treated with dignity and respect at all times.
- Strategies that encourage independence are identified and utilised.
- Communicates effectively with individuals and groups.

Organises workload to facilitate planned nursing care.

- Work is organised, co-ordinated and delivered according to priorities of care.
- Responds effectively in unexpected or rapidly changing situations.
- Emergency management practices and drills are participated in, according to health service policy.
- Crisis interventions and emergency routines are implemented as necessary.
- Responds effectively and teaches others how to respond in unexpected / rapidly changing situations.

Establishes and maintains collaborative relationships with colleagues and members of the health care team.

- The roles and functions of the health care team are recognised and understood.
- Contributes where required to ensure decisions made are appropriate and planned outcomes achieved, particularly in reference to clinical speciality.

SAFETY MANAGEMENT SYSTEMS:

In accordance with the current Victorian OH&S legislation and infection control standards, each employee has the responsibility to take reasonable care of their own health and safety by:

- Adhering to Benalla Health's OH&S policies and procedures.
- Reporting hazards and injuries.
- Participating in OH&S consultation and OH&S training.
- Cooperating with managers and supervisors to ensure that OH&S responsibilities are met by all.
- Not wilfully interfering with or misuse anything provided in the interest of health and safety or wilfully put anyone at risk.
- Each employee is responsible for ensuring that they are fit to perform their duties without risk to the safety, health and well-being of themselves and others within the workplace. This responsibility includes compliance with reasonable measure put in place by the employer and any related OH&S requirements.

Each employee has the responsibility to minimise exposure to incidents of infection/cross infection of residents, staff, visitors and the general public.

Please refer to Benalla Health's Occupational Health & Safety Responsibilities Guideline.

QUALITY & RISK:

Benalla Health is accredited by an independent Accreditation Agency. All staff are required to actively participate in quality improvement activities.

POLICIES & PROCEDURES:

It is every employee's responsibility to access and have knowledge of relevant policies and procedures that relate to their employment. All organisational-wide policies and procedures can be accessed on the Benalla Health Intranet site.

RISK MANAGEMENT:

All staff have a responsibility to identify and report risks in their workplace. All staff are required to participate in risk management training identified as relevant to their position and level of employment.

CONFIDENTIALITY:

Any information obtained in the course of employment is confidential and should not be used for any purpose other than in the performance of duties for which the person is employed. The employee is bound by the Information Privacy Act 2000, Aged Care Act 1997 and the Health Records Act 2001.

MANDATORY ORGANISATIONAL COMPETENCIES:

In accordance with current legislative requirements, all employees have a responsibility to ensure they successfully complete competencies as prescribed (on commencement, annually, every two years or as otherwise stated).

Refer to the organisations mandatory training policy for full details.

PREVENTION AND RESPONSE TO FAMILY VIOLENCE:

It is a basic human right to be respected as an individual. Benalla Health supports this fundamental right through advocacy for the prevention and awareness raising of family violence. Benalla Health is committed to the elimination of Violence.

Each employee at Benalla Health will be expected to demonstrate their commitment by:

- Gaining knowledge and the ability to implement a brief intervention to identify and respond to family violence, underpinned by principles of sensitive practice.
- Actively participate in education and events supporting 'the prevention and response to family violence in our organisation and the community.
- Positively contribute to workplace safety and morale.
- Be able to confidently address issues that arise regarding Family Violence for clients and colleagues.

PERFORMANCE REVIEW & DEVELOPMENT:

A performance review & development plan will be carried out three months post appointment and thereafter at least once a year. The position description will form the basis for the review.

If performance does not meet expectations or additional staff development/guidance is required, performance reviews will be carried out more frequently. The employee can request additional performance reviews at any time in writing.

EMPLOYMENT CONDITIONS / HOURS:

The services provided by this organisation are offered to the community on a 24 hour day, 7 days per week basis. We will endeavour to meet individual preferences and needs however the incumbent acknowledges that this may not be possible in all instances.

DIVISION:

The employment with the organisation is offered in the Nursing Division. Staff may be required to work in different nursing units within the organisation to meet patient / resident needs.

This document provides a summary of the role and duties of the position and forms the basis for periodic review of departmental and individual performance.

This position description is subject to review and amendment at any time, as appropriate and as approved by the relevant Director.

To ensure a healthy and safe work environment for employees and our clients, smoking is not permitted on hospital grounds, in buildings and offices or in any vehicle.

As an occupant of this position, I have noted this statement of duties and agree to perform the duties indicated and observe all requirements of the organisation's Policies and Procedures.
