OUR PURPOSE:

The purpose of Benalla Health is to facilitate a healthy and resilient community through the provision of integrated, lifelong healthcare services.

OUR VALUES:

Compassion, Empathy, Accountability, Respect and Excellence.

POSITION SUMMARY:

The Associate Nurse Unit Manager (ANUM) is responsible for:

- Assisting the Nurse Unit Manager (NUM) to achieve outcomes and goals of the Morrie Evans Wing (MEW) in accordance with Benalla Health's policies, procedures, clinical practice guidelines, standards and values;
- Assisting the NUM in appropriately allocating resources to provide high quality care of residents through effective leadership, management of staff, other resources and the development of cooperative professional relationships;
- Where appropriate, acting as an advocate for patients, residents and their families, ensuring their opinions are heard and their rights are respected;
- Demonstrating leadership, operational proficiency and acting as a resource for other staff on local clinical and organisational issues;
- Acting in the absence of the NUM and continuing to carrying out the day to day management of MEW
- Participating in the organisation's quality and accreditation programs and contributing to the review of relevant Policies, Procedures and Clinical Practice Guidelines;
- Participating as part of the senior nursing team in managing portfolios as allocated and participating in relevant meetings and committees as requested;
- Demonstrating clinical expertise, acting as a mentor/role model, and facilitating the development of clinical skills in staff;

RESPONSIBILITIES

Responsibilities include:

LEADERSHIP:

- Strategic Service Development: Under the direction of the NUM and in their absence, ensure efficient and effective operation of the clinical area in line with the strategic direction of the organisation.
- Compliance: ensure personal and unit compliance with relevant Acts, Funding Instruments, Legislation, Documentation requirements and organisational Policies and Procedures.
- Customer service: Treat all patients, clients, residents, visitors and staff in accordance with Benalla Health's values. Provide a proficient and customer focused service
- Administration: Ensure all units based administrative functions are completed within the mandates of the position and assist the NUM to work within the Unit budget and when appropriate take corrective action. Assist the NUM with specific duties related to Funding and Documentation requirements.

NURSING PRACTICE:

- Competence: Ensure own practice is competent as measured by the AHPRA: Australian National Competency Standards for the Registered Nurse.

- Clinical Practice: Assist the NUM to ensure all practice within the MEW is delivered within the Standards, Codes and Guidelines of the AHPRA.
- Governance: Accept responsibility for the outcomes of clinical nursing practices and ensure clinical practices are delivered in accordance with policies and procedures and evidence based research.
- Care Continuum: Ensure the needs of the community and the organisation are met. Make recommendations to relevant stakeholders to facilitate service/system improvement.

HUMAN RESOURCE MANAGEMENT:

- Workplace management: Assist the NUM with staff management by:
 - monitoring and maintaining rosters,
 - participate in recruitment and selection of new staff,
 - provide leadership in occupational health and safety,
 - other aspects of human resources management as directed by the NUM.
- Manage work practices in accordance with award agreements and entitlements.
- Workforce development: Assist the NUM to ensure all clinical staff participate in ongoing professional development and have active performance plans that are reviewed at least annually. Ensure all staff comply with the specific competencies as determined by the organisation.

RESEARCH, EDUCATION AND IMPROVING PERFORMANCE

- Continuous Improvement: Assist the NUM to monitor standards of service and practice through the quality framework. Implement interventions identified from quality framework as directed.
- Training: Assist NUM to ensure staff compliance with training requirement specified by Benalla Health and that accurate records are kept of ongoing training.
- Education and Research: Participate in research and critical analysis so as to ensure service and nursing practice benchmarks are achieved. Facilitate and participate in the delivery of models of education to unit staff and students. Regularly reviews Policies, Procedures and Clinical Practise Guidelines relevant to the unit and updates these, as required, following established guidelines and using evidence.

SAFETY MANAGEMENT SYSTEMS

In accordance with the current Victorian OH&S legislation and infection control standards, each employee has the responsibility to take reasonable care of their own health and safety by:

- Adhering to Benalla Health's OH&S policies and procedures
- Reporting hazards and injuries
- Participate in OH&S consultation and OH&S training
- Cooperate with managers and supervisors to ensure that OH&S responsibilities are met by all
- Not wilfully interfere with or misuse anything provided in the interest of health and safety or wilfully put anyone at risk.
- Each Employee is responsible for ensuring that they are fit to perform their duties without risk to the safety, health and well-being of themselves and others within the workplace. This responsibility includes compliance with reasonable measures put in place by the Employer and any related occupational health and safety requirements.
- Consult with OH&S representative on any proposed changes to the workplace.
- Consult with representative on major items being purchased.
- Permit OH&S representatives to attend training.
- Provide facilities and assistance to OH&S representative to ensure they can perform their function and duties.

Each employee has the responsibility to minimise exposure to incidents of infection/cross infection of residents, staff, visitors and the general public.

Please refer to Benalla Health's Occupational Health & Safety Responsibilities Guideline

QUALITY & RISK

Benalla Health is accredited by an independent Accreditation Agency. All staff are required to actively participate in quality improvement activities.

POLICY & PROCEDURES

It is every employee's responsibility to access and have knowledge of relevant policies and procedures that relate to their employment. All organisational-wide policies and procedures can be accessed on the BH Intranet site.

CONFIDENTIALITY

Any information obtained in the course of employment is confidential and should not be used for any purpose other than in the performance of duties for which the person is employed. The employee is bound by the Information Privacy Act 2000, Aged Care Act 1997 and the Health Records Act 2001.

MANDATORY ORGANISATIONAL COMPETENCIES

In accordance with current legislative requirements, all employees have a responsibility to ensure they successfully complete the following competencies as prescribed (on commencement, annually, every two years or as otherwise stated):

- Attend orientation on commencement
- Emergency Response and Fire Extinguisher Training (both theory and practical sessions)
- Manual Handling
- Human Rights, Equal Opportunity Prevention of Workplace Bullying and Managing Diversity in-service.
- Hand Hygiene Training.
- Reporting Elder Abuse.
- Person & Family Centred Care

Refer to the organisations mandatory training policy for full details.

CONSUMER ENGAGEMENT

Benalla Health employees are responsible for meaningful consumer participation so that consumers, carers and community members are active participants in the planning, improvement and evaluation of health services.

This will be demonstrated by:

- New staff attending staff induction forum where the value of partnering with consumers/carers and community members is discussed.
- Evidence that consumers and their significant others are involved in the development of their own care plans and
- Completion of annual competencies that includes the importance of partnering with consumers/carers and community members.

PREVENTION AND RESPONSE TO FAMILY VIOLENCE

It is a basic human right to be respected as an individual. Benalla Health supports this fundamental right through advocacy for the prevention and awareness raising of family violence. Benalla Health is committed to the elimination of Violence.

Each employee at BH will be expected to demonstrate their commitment by:

- Gaining knowledge and the ability to implement a brief intervention to identify and respond to family violence, underpinned by principles of sensitive practice.
- Actively participate in education and events supporting ‘the prevention and response to family violence in our organisation and the community.
- Positively contribute to workplace safety and moral.
- Be able to confidently address issues that arise regarding Family Violence for clients and colleagues.

PERFORMANCE REVIEW & DEVELOPMENT

A performance review & development plan will be carried out three months post appointment and thereafter at least once a year. The position description will form the basis for the review. If performance does not meet expectations or additional staff development/guidance is required, performance reviews will be carried out more frequently. The employee can request additional performance reviews at any time in writing.

This document provides a summary of the role and duties of the position and forms the basis for periodic review of departmental and individual performance.

As an occupant of this position, I have noted this statement of duties and agree to perform the duties indicated and observe all requirements of the organisation’s Policies and Procedures.
