

WINTER BALL *A touch of class*

Saturday August 3rd 2024, Benalla Town Hall

We here at Benalla Health are excited to announce our upcoming Winter Ball “A Touch of Class”, on Saturday 3rd August 2024.

Benalla Health prides itself on providing Best Care to all and this starts on the day you are born. We aim to raise funds to purchase a new neonatal resuscitation cot, this cot provides intensive lifesaving care to newborns if they struggle with the transition from womb to life on the outside. This cot also allows our midwives and doctors to work with the best equipment to keep the babies born at Benalla Health safe through the unpredictability of child birth.

As we plan for the Winter Ball, we are reaching out to our community partners and supporters to request donations for auction and raffle items. Our goal is to procure a variety of enticing items that will contribute to the success of our event and help us reach our fundraising target.

The funds raised from this event are crucial for sustaining the important work we do at Benalla Health. They enable us to continue to care for our community by providing safe, high quality healthcare for everyone. With your generous contribution, we can continue to make a meaningful impact in the lives of those we serve.

We envision a vibrant event with a mix of live auction items, and raffle prizes, all made possible through the generosity of donors like you. Your donation will not only help us achieve our fundraising goals but also ensure a memorable and enjoyable experience for all attendees.

In recognition of your support, we will acknowledge your contribution in several ways during the event, including through our social media channels and other promotional materials. Additionally, your generosity will be highlighted as a vital part of our mission to the community.

We understand the importance of community partnerships and are truly grateful for your consideration of our request. Your support will have a direct and lasting impact on the success of our event and the future of our Health Service.

Thank you once again for your generosity and support. We eagerly anticipate the opportunity to work together and look forward to hearing from you soon. Should you have any questions or require further information, please do not hesitate to contact our event coordinator Lucy Mitchell-Long on 5761 4222 or lucy.mitchell-long@benallahealth.org.au to further explore this exciting partnership opportunity.

Warm regards,

Jackie Kelly
Chief Executive Officer
