

# Vaccine Clinic Finder

## Search Results

Please use online appointments where available to reduce call volumes to clinics. Not all clinics have received vaccine deliveries and not all clinics are listed yet. More clinics will be added every week until the full roll-out is completed. If you can't find an appointment or a clinic in your location, please check back in a week.

These are the COVID-19 vaccination clinics in the area of WANGARATTA, VIC 3677.
